2011 Strong Kids Campaign

"My husband was laid off and has to take ANY part-time job to help cover our bills. I work, but we're struggling to make ends meet and childcare is a big expense for our family. We were so relieved to learn that the Y has financial assistance. I really don't know what my family would do without the Y. Not only are the teachers the best, but I really feel like they care about our little girl and our situation. They LISTEN!"

Olivia B.

Financial assistance keeps the Y available for kids and families who need us most. We count on the generosity of our members and community to help people of all ages and from all walks of life be more healthy, confident, connected and secure. When you give to the Y, your gift will have a meaningful, enduring impact **right in your own neighborhood.**

THEIR POTENTIAL

Because we believe that all kids deserve the opportunity to discover who they are and what they can achieve, the Y is for Youth Development.

Through the Y, millions of youth today are cultivating the values, skills and relationships that lead to positive behaviors, better health and educational achievement. Y activities give our children the opportunity to become confident kids today and healthier, happier grown-ups tomorrow.

THEIR HEALTH

Improving the nation's health and well-being is a priority for the Y. At the Y, we help children and adults understand and value their health and we nurture their well-being. We offer resources and guidance to maintain or improve physical activity, health and wellness. The Y brings families closer together, encourages good health and fosters connections through fitness, sports, fun and shared interests. As a result, youth, adults and families are receiving the support, guidance and resources needed to achieve greater health and well-being for their mind, spirit and body.

THEIR FUTURE

At the Y, strengthening community is our cause. The Y has been listening and responding to our communities' most critical needs for over 160 years. Whether developing skills or emotional well-being, welcoming and connecting diverse populations or advocating for healthier communities, the Y fosters the care and respect all people need and deserve.

Together we can build stronger, more inclusive communities, provide support for families and promote positive change overall. **Be a hero!**
